

PARENTS COMMENTS

We encourage feedback from parent and regularly send out survey's asking parents about all aspects of the pre-school. We also regularly receive feedback from our Facebook page and via email. Here are some of our recent comments:

July 2016: Parental Survey

100% (12) of people who responded said:

- They felt welcome at Pre-School.
- That the Pre-School regularly gave you information about its activities.
- All staff are approachable and helpful.
- Their child receives good quality care and education at pre-school.
- That they found our parents evening valuable.

WHAT YOU SAID:

Please comment on any aspects of the Pre-School that you would particularly like or would like to see changed or improved.

- "Staff are approachable and very helpful."
- "Staff are very welcoming and make you feel very at ease when dropping the children off."
- "Everyone has positive energy and a smile on their faces. When I contact pre-school via email I know I will get a fast reply as in other places."
- "I think that the security set up is of a high standard which gives piece of mind."
- "I like how I get told how my child has got on during the day."

Please ask your child about what they enjoy most and what they dislike at Pre-School

- "My son enjoys most playing with his friends and playing outside."
- "Playing in the 'big' playground."
- "Having lunch with her friends."
- "She loves everything. It's hard to get her to leave."
- "Dressing in different costumes, going outside and listening to stories."

Comments on the staff

- "They never fail to have a positive attitude & go out of their way to create tasks & activities that the children will enjoy."
- "Very helpful & always keep us informed on what has happened with our child during the day."

- “His keyworker settles him so I feel comfortable to leave him.”
- “All the staff have conducted themselves in a professional, friendly way and have always acted on any concerns we have raised in a timely and positive fashion.”

Please add any comments that you feel would enhance your child’s learning experience at Pre-School

- “We have been impressed with the thought that goes into the learning experience and would find it difficult to improve upon.”

“I just wanted to say a huge than you for everything you did for James throughout his time at pre-school, he really did love coming to Springfield Bees and he keeps telling me how much he is going to miss it. I do feel every single member of staff deserves a massive amount of praise. You have all really helped to bring James out of his shell and he has made some lovely friends and learned a lot from you all.”
