

Return to Pre-School September 2020

Please read this guidance alongside the Pre-School Covid-19 risk assessment and policy

Pre-School will reopen on Monday 7th September 2020. Our drop off times will be 9.00 - 9.15 and 12.00 Midday. Our collection times will be 12.00 Midday and 2.45 - 3.00. Please be prompt as late fees will apply if children are not collected on time. Children will require clean clothes daily and bring a named coat and bag with a full spare set of named clothing. They will also need wellies to be kept at Pre-School and must have sunscreen applied on hot days along with a named sunhat. Staff are unable to re-apply sunscreen so please consider using a high factor single use variety.

All children and household members **MUST** be free of Covid-19 symptoms before coming in and be dropped off and collected at the front door to Pre-School by one parent/carer only.

What if my child displays Covid-19 symptoms at home?

Isolate your child where possible and do NOT allow your child to attend Pre-School

Parents MUST inform Pre-School of test outcome IMMEDIATELY

A test MUST be arranged and take place as soon as possible

Inform Pre-School if your child is displaying symptoms on 01245 264110

If test result is negative the child may return to Pre-School if well enough

If test is positive the child must complete the 7 day self isolation period from date of test

All families must engage with the NHS Test and Trace process and Pre-School will seek advice from the Local Authority and Public Health England
