09th October 2020

Good Afternoon Families. World Space Week took off in the Pre-School this week with lots of activities and discussions taking place in Bumbles. This Saturday, 10th October, is World Mental Health Day, which comes at a time when our daily lives have changed considerably as a result of the COVID-19 pandemic. For guidance and advice on ways of supporting your child during this time, the NHS has lots of information <https://www.nhs.uk/oneyou/every-mind-matters/childrens-mental-health/>

Honeys Report

This week the children in Honeys have been having fun painting vegetables for harvest festival and learning about this tradition.

The children have enjoyed playing with dinosaurs, which encourages their imagination and develops interactive play.

Small circle times have been introduced as the children are settling in well. This helps develop social interactions and positive relationships between the children through engaging and fun activities.

As the autumn progresses the children have been outside hunting for leaves and making potions.

Bumbles Report

In Bumbles this week the children have been exploring and investigating the wide world of space.

They have been developing their understanding of shapes whilst making rockets. There have been lots of discussion about planets and children have been doing a great job of listening to each other. Creative and critical thinking has been developed in craft as the children design and decorate their own planets.

In the tuff tray the children used their imaginations to explore space using different vehicles to manoeuvre around spaces rocks and creatures.

Bumbles Artists of the Week.

Wow, a rocket! Well done Alexander H. for being Bumbles Artist of the Week and using shapes to make this wonderful picture.

Honeys Star of the Week.

Well done Phoebe for being Honeys star of the week. You always listen and do as you have been asked at Pre-school. It has been lovely hearing you speak so much. You are always a kind friend. Keep up the good work!!

Tapestry

We have now launched our online Learning Journal system and have received back some lovely feedback from parents. If you have not yet activated your account, please do so by following the information in your activation email.

REMINDER: Half Term:

Monday 26th to Friday 30th October 2020.

Please note the Pre-School is CLOSED Friday 23rd October for a training day.

IMPORTANT

If your child or any members of your household have symptoms of Coronavirus please remain at home and arrange for a test online or by calling 119.
