12th June 2020

Good Afternoon Families. We have seen the return of a few more familiar faces to Pre-school this week with more returning next week! It has been wonderful seeing the children so happy and excited to come back, seeing their friends and staff! This week we have also been making phone calls to the children's families who have not yet returned to Pre-school. It's been lovely to catch up with some of you and seeing how well you're all doing at home. We hope to continue next week with the wellbeing calls and finding out more about what exciting things you have all been getting up to!

Honeys Report,

This week in Honey's Class we have been making lots of use of our individual trays! We made our own playdough, step by step. This was lots of fun! We've also enjoyed water play in our trays, pouring, siving, mixing! We've also enjoyed lots of outside play on the Boswell's field, hide and seek, what's the time Mr Wolf? As well as burning off lots of energy, with some running races!

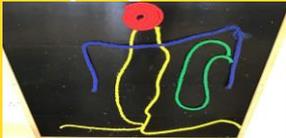

Bumbles Report

This week in Bumbles Class we have continued to take part in activities to help support school transitioning. Lots of hand/pencil control, using our trays at lunchtime, as well as lots of talk and discussions about 'Big school'.

We have also enjoyed water and messy play in our individual trays! We have been making ocean scenes in our trays with paper boats and sea creatures! We also used shaving foam to hide objects and then uncover them!

Springfield Bee's Artists of the Week.

Well done Lucian for being Bumble's Artist of the week! What a great picture you made using the Velcro board and rope. A picture of your friend Toby! Great work!

Well done to Anvitha, our Honey's Artist this week! Wonderful sticking! Great job!

'Have Fun at Home'

We have continued to send out some fun activities for the children to do at home each week. Please send in photos of your children participating and of their wonderful creations. We can add them to their learning journeys!

Don't forget to check out our Springfield Bees YouTube page!
